

# BROADWALK BUZZ

## Welcome

Welcome to the third edition of our newsletter and hope you had as great a half term rest as you could while staying alert and safe.

This edition has more messages from our staff, some information about learning from home and a brand new competition. Enjoy!

## Government Advice

Broadwalk, as per government guidance and in accordance with the Local Authority, is taking measures to make safe the building and all the people employed by it. We are doing this so we can open to small 'bubbles' of pupils who are in the 'vulnerable' category or are those of Key Workers. Risk assessments are underway for the school as a whole but also for staff and pupils which will inform how we go forward as an educational provision. You will of course be kept up to date as things change.

Government advice is updated regularly and can be found at [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus)

## Stay Alert

What does 'staying alert' look like?

- Stay at home as much as possible
- Keep your distance if you go out (2 metres apart where possible)
- Wash your hands regularly for at least 20 seconds
- Wear a face mask if using public transport or going into an enclosed space e.g. a shop

Do not leave home if you or anyone in your household has symptoms.

**STAY ALERT ▶ CONTROL THE VIRUS ▶ SAVE LIVES**

## Learning from home

First of all, we would like to say a HUGE thank you and well done to all those pupils who have completed the tasks set in the work packs we have been sending home. Staff have worked extremely hard to create the packs and we are absolutely over the moon at the effort put in by you that proves that you are willing and can continue to learn even in these strange times. We have been busy marking and creating feedback sheets so that you can continue to make progress and keep those brains busy and active. It is very important that you keep up with your English, maths and science but remember your other subjects are important too; Art and Food tech (baking, cooking) can help with your mental health while PSHE and computing will keep you up-to-date with things going on in the world around you.

You will have noticed that Miss Rope and Sarah C have started emailing you and your parents with individualised work and feedback and that is something that will be happening with more subjects starting in the next few weeks so keep an eye out for those emails.

## Competition Time

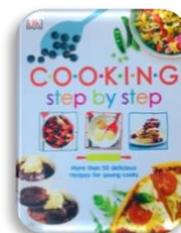

Thank you to all that entered the Art competition featured in the last edition of Broadwalk Buzz – we can reveal that the winner was David P who has received his Posca Pens and will be putting them to good use.

This edition's competition has been set by Mr Walker and is Food Technology based; he says:

Firstly, I hope that you are all safe and are enjoying this difficult time with your family. I have some exciting news; there is a prize up for grabs! I would like you to take part in the Broadwalk COOKING/BAKING competition. All you need to do to enter is:

1. Cook/bake anything you like.
2. Tell us what it is.
3. Take a photograph of what you have made
4. Send the photograph to your daily contact

The prizes are a step-by-step cookbook to get more inspiration and a lovely apron to keep you clean during messy bakes. So, if you can, get in the kitchen and cook away. Hope to hear from you soon and see what you have made.

Adam
